| E                    | Longitudinal Interno<br>Longitudinal ID | 0,80   | 8                                   | +15-10                         | 1,538                                   | 1,204                                   | 1,338                                    | 50,00                                 | 50,00                      | 1,368                            | 1,358                            | 0,60                                 | Carlos Aguilar             | 06/01/21      |
| F                    | Transversal Interno<br>Transverse ID    | 0,80   | 8                                   | +15-10                         | 1,538                                   | 1,204                                   | 1,338                                    | 50,00                                 | 23,00                      | 1,378                            | 1,387                            | 0,61                                 | Carlos Aguilar             | 06/01/21      |

#### Notas:

1.-Todas las dimensiones son en milímetros excepto que se indique lo contrario.  
2.-Minima Profundidad Nominal de las ranuras 0.3 mm.  
CERTIFICADO CON REPLICA SI

#### Notes:

1.-All dimensions in milimeters unless stated.  
2.-Minimum notch nominal depth 0.3 mm.  
CERTIFIED WITH PLASTIC REPLICA YES
