| С                    | Longitudinal Externo longitudinal OD | 1,00   | 10                                  | ±15                            | 0,742                                   | 0,548                                   | 0,645                                    | 50,00                                    | 49,00          | 0,675                             | 0,671                             | 0,95                                 | Default Default            | 30/12/09      |
| D                    | Transversal Externo Transverse OD    | 1,00   | 10                                  | ±15                            | 0,742                                   | 0,548                                   | 0,645                                    | 50,00                                    | 48,00          | 0,560                             | 0,615                             | 0,85                                 | Default Default            | 30/12/09      |

## Instrumentos de Medicion Utilizados:

Proyector de Perfiles Mitutoyo PJ-A3000 Codigo: 302-711A

## Notas:

- 1.-Todas las dimensiones son en milimetros excepto que se indique lo contrario.
- 2.-Minima Profundidad Nominal de las ranuras 0.3 mm.

CERTIFICADO CON REPLICA SI

## Notes:

- 1.-All dimensions in milimeters unless stated.
- 2.-Minimum notch nominal depth 0.3 mm.

CERTIFIED WITH PLASTIC REPLICA YES
